- About this item**
- [Ergonomic Design & 6210 Acupressure Points]** It works in a similar way as acupuncture by having your body release endorphins, which have the ability to produce analgesia and a feeling of well-being. 6210 acupressure points stimulate the nerves and improve blood circulation for greater energy and faster muscle recovery.
 - [Pain Relief & Muscle Relaxation]** You can use our acupressure mat and pillow set for 10-20 minutes every day, sit to lift the buttock muscle, lie down to massage the back and shoulders, stand on the mat to stimulate the acupressure points of the feet.
 - [Relieve Anxiety & Improve Sleep]** If regularly used for a long enough period of time the acupressure set may increase energy level - improve blood circulation - decrease stress - relieve neck and back pain - reduce blood pressure - alleviate headaches -
