

Sunmagic

THE TASTE OF THE SUN

PREMIUM TOMATO JUICE

From Concentrate

ONE OF YOUR 5 A DAY

Sunmagic 99% tomato juice is only ever made with the juiciest vine-ripened tomatoes to bring you the same sweet and sunny taste in every glass. As soon as the juice is pulped we concentrate it to capture all its vibrant flavour.

By shipping concentrated rather than freshly squeezed juice, we can transport up to five times as much and significantly reduce our carbon footprint.

Sunmagic 99% Tomato Juice is best served chilled. Shake well before use. Once opened keep refrigerated and drink within 3 days.
