Moisture Absorber

Knight refillable and reusable moisture absorber provides a fast and effective solution to combat damp, mould, and condensation in your home, workplace, caravan, or garage. By improving air quality, it creates a fresher and healthier environment. The specially designed refill tablets efficiently draw in excess moisture from the air and securely collect it in the bottom of the durable plastic container.

WARNING: Read the instructions carefully before use.

FIRST AID: On skin: Wash with plenty of soap and water.
In eyes: Causes serious eye irritation. Rinse gently with water for several minutes. Remove contact lenses if easy, then continue rinsing.
Irritation/rash: Seek medical advice/attention. May cause an allergic reaction.

WARNING

SAFE USE: Wear protective gloves and eye/face protection. Wash hands thoroughly after handling. Do not let the refill tab or collected liquid touch sensitive surfaces (e.g., gold, chromium, leather, fabrics, carpets, or other floor coverings).

DISPOSAL: Dispose of contents and container in accordance with local, national, or international regulations.

Net Weight: 450g X 2
Absorption Capacity: 1000ml or 1 Litre with each tablet.

*Lasts 60 days (approx) once opened, depending on weather conditions.

INGREDIENTS: Calcium Chloride Dihydrate. CAS: 10035-04-8

Keep away from children and pets
